

128 SEDAN

Table of Contents

	PAGE
Relay Location Chart	128-1
Component Index, Connector Code, and Wire Color Code	128-2
FUSE	CIRCUIT
A	Stop lights, turn signals, brake system effectiveness, hand brake ON indicator, tachimetric switch, catalytic converter temperature control system, fasten belts indicator system, heater fan, diverter by-pass system 128-3/4
A	Windshield wiper/washer system, back-up lights, diverter vacuum by-pass system, instruments and indicators, fasten belts buzzer relay
Inline Fuse	Remove key buzzer..... 128-5
B	Radiator cooling fan, interior lights, horns, hazard warning system. 128-6
C D E F G H	Parking lights, instrument cluster lights, high/low beams. 128-7
Unprotected Circuits	Starting, ignition, alternator
Inline Fuse	Fuel pump. 128-8
