

# Fiat X1/9

North American Version

## WIRING DIAGRAM

- 1 Front turn signal lamps
- 2 Front parking lamps
- 3 High/Low beam concealed headlights
- 4 Concealed headlights relays
- 5 Engine fan motor relay
- 6 Horns
- 7 Engine fan motor
- 8 Engine fan motor thermostatic switch
- 9 Horn relay
- 10 Concealed headlight motors
- 11 Front side marker lamps
- 12 Battery
- 13 Vehicular hazard warning signal flasher
- 14 Fasten belts buzzer relay
- 15 Fasten belts buzzer
- 16 Fuses
- 17 Washer pump motor
- 18 Windshield wiper motor
- 19 Courtesy light and carburetor fan motor fuse
- 20 Turn signal flasher
- 21 Brake system effectiveness indicator
- 22 Stop light switch
- 23 Starter relay
- 24 Interlock system electronic control unit
- 25 Instrument cluster connectors
- 26 Service brake effectiveness and hand brake ON indicator (Red)
- 27 Spare indicator (if any)
- 28 Instrument cluster lights
- 29 Fasten belts indicator (Flashes red)
- 30 Vehicular hazard warning indicator (Flashes red)
- 31 Parking and tail lights indicator (Green)
- 32 High beams indicator (Blue)
- 33 Tachometer
- 34 Fuel reserve indicator (Red)
- 35 Fuel gage
- 36 Engine water temperature gage
- 37 Battery charge indicator (Red)
- 38 Back window demister indicator (optional equipment)
- 39 Low oil pressure indicator (Red)
- 40 Oil pressure gage
- 41 Lighting 3-position switch (controls also concealed headlights)
- 42 Remove key indicator jamb switch (driver's door)
- 43 Courtesy light jamb switches
- 44 Ignition switch
- 45 Wiper/Washer 3-position switch
- 46 High/Low beam change-over and flashes switch
- 47 Turn signal indicator switch
- 48 Horn button
- 49 Heater fan 2-speed motor
- 50 Heater fan 3-position switch
- 51 Vehicular hazard warning signal 2-position switch
- 52 Instrument cluster 3-position switch
- 53 Ideogram lamp
- 54 Ideogram lamp
- 55 Courtesy light switch
- 56 Instrument cluster light resistors
- 57 Cigar lighter with housing indicator
- 58 Ideogram lighting potentiometer
- 59 Courtesy light
- 60 Fuel gauge sending unit
- 61 Gear-engaged signal button switch
- 62 Back-up light switch
- 63 Hand brake ON switch
- 64 Button switch on driver's belt
- 65 Strip switches in driver's seat cushion
- 66 Strip switches in passenger's seat cushion
- 67 Button switch on passenger's belt
- 68 Carburetor fan motor relay
- 69 Ignition coil
- 70 Starter motor
- 71 Low oil pressure indicator button switch
- 72 Engine water temperature gage sending unit
- 73 Low oil pressure gage sending unit
- 74 Interlock by-pass switch
- 75 Carburetor fan motor
- 76 Carburetor fan motor thermostatic switch
- 77 Ignition distributor
- 78 Spark plugs
- 79 Alternator
- 80 Voltage regulator
- 81 Rear side marker lights
- 82 Rear turn signal lights
- 83 Tail lights
- 84 Stop lights
- 85 Back-up lights
- 86 License plate lights

### CABLE COLOR CODE

Arancio = Amber	Giallo = Yellow	Rosa = Pink
Azzurro = Light blue	Grigio = Grey	Rosso = Red
Bianco = White	Marrone = Brown	Verde = Green
Blu = Dark blue	Nero = Black	Viola = Violet
